### Notes:

Column totals may exceed 100% as this question allowed for multiple responses.

NR=No Response.

\* CCFP (EM) respondents are also included in the CCFP column . The last column showing the total number of family physicians captures these respondents once.

This question was asked only of those respondents who completed the long questionnaire.

The responding sample (size: n) has been weighted to represent the population (size: N). Further detail available at [www.nationalphysiciansurvey.ca](http://www.nationalphysiciansurvey.ca) .
